

**RIDGE**  
CHURCH

Ridge Church is hiring!

Ridge Church is a non-denominational church located in Matthews, N.C. We host two identical modern style worship services as well as streaming services live online and live to a venue in the Collective Café located on our property. At Ridge Church we want to make our entire community an even better place to live. That passion inspired us to introduce an innovative approach to facility and community engagement known as the Nexus Project. You can learn more about Ridge Church vision and Nexus Partners here: [ridgechurchclt.org/employment](https://ridgechurchclt.org/employment)

We are currently in the search for a part time Music Director to help create a culture of excellence and engagement musically. The mission for our music director is *To **inspire** and **equip** people to become **fully engaged** followers of Jesus by creating a culture of worship and musical excellence that inspires “all” people to engage with God.*

This is a 25 hour per week part time position that oversees and coordinates all aspects of music ministry. This position reports to the Lead Pastor and works in coordination with the weekend experience director.

**Required:** Two days on site--Sunday & Tuesday, plus events. All other work can be done remotely.

**Top 4 Responsibilities:** *(as reasonably amended from time to time)*

1. **Create** over all culture of musical excellence & care—for staff, contractors, vols, attendees.
2. **Oversee** all music planning & scheduling (PCO)—in coordination with Campus Pastor & Weekend Experience Director
3. **Recruit** and network to find new talent and keep an active reserves list in all positions.
4. **Develop** worship teams, band, & sound engineers by setting clear expectations, coaching, discipleship, and evaluation with clear action plans (for weekends and events)

**Necessary Core Competency & Skills:**

- ➔ 3-5 years of related experience preferred
- ➔ High self-awareness and ability to manage emotions considering others
- ➔ Musical ability vocally and instrumentally to lead worship & band
- ➔ Technical musical skills with basic understanding of sound, PCO, tracks/Ableton
- ➔ Organizational skills for planning, calendaring, & scheduling
- ➔ Ability to recruit, onboard, and train team members
- ➔ Ability to cast vision around organizational mission and values
- ➔ Ability to provide care and help for team members

Total compensation range dependent upon skills, qualifications, and experience: \$32-36k yearly.
