

RIDGE
CHURCH

Ridge Church is hiring!

Ridge Church is a non-denominational church located in Matthews, N.C. We host two identical modern style worship services as well as streaming services live online and live to a venue in the Collective Café located on our property. At Ridge Church we want to make our entire community an even better place to live. That passion inspired us to introduce an innovative approach to facility and community engagement known as the Nexus Project. You can learn more about Ridge Church vision and Nexus Partners here: ridgechurchclt.org/employment

We are currently in the search for contract audio engineers to help create a culture of excellence and engagement musically. The mission for our music director is *To **inspire** and **equip** people to become **fully engaged** followers of Jesus by creating a culture of audio and musical excellence that inspires “all” people to engage with God.*

This position is contracted weekly. We typically have a 5-6 piece live band and vocals with accompanying click tracks. Our sound engineers need to be familiar with A&H Avantis & SQ5 sound boards, in-ear monitor systems, mixing live bands., and EQ for host/communicator microphones. This position reports to the Music Director and works in coordination with the weekend experience director.

Required: From Sound Check to end of service is typically 4.5-5 hours

Top 4 Responsibilities: (as reasonably amended from time to time)

1. **Pre-Service Check** – check stage layout, equipment, connections and run necessary lines
2. **Sound Check/Run Through** – EQ band, communicators, in-ears, auditorium, foyer & live stream
3. **Mix Live Service** – mix band and communicators for live services.
4. **Closing Check-list** – properly shut down equipment and organize work area.

Necessary Core Competency & Skills:

- ➔ 3-5 years of related experience preferred
- ➔ High self-awareness and ability to manage emotions considering others
- ➔ Positive attitude with openness to feedback and improvement
- ➔ Professional skills on sound board, in-ears, and tracks/Abelton
- ➔ This is a crucial position! On time, every time. Reliability is key.
- ➔ Ability to work within a team context, provide assistance and care for them

Total compensation range dependent upon skills, qualifications, and experience: \$175-200 weekly.
